Disclaimer:

The Management of Pestimators Pest Control, and all Staff will endeavour to use only SABS approved chemicals which are in most cases still hazardous and harmful to pets, people and the environment, therefore all precautions are taken to ensure safety of all where possible. None of the Pestimators Pest Control Management team and their staff shall in anyway be held responsible for any injury, damage to property or the loss thereof, and can also not be held responsible for any illness, any damage or death for any reason as a result of use of these chemicals, foundation and other drilling, spraying or fumigation. Although the utmost care are taken when chemicals are being used, Pestimators SA Pest Control Services can also not be held responsible for the damages that might be caused by the chemicals as a result of usage, which includes chemicals that may mark surfaces, the release of gas and its effects, water and damaged pipes and pipe lines, electrical equipment, and damaged vent lines that may be encountered when drilling takes place. The client accepts these terms and conditions including our quote by doing any of the following: Written or verbal acceptance of our quote, Payment received partially or full payment as well as allowing Pestimators SA staff onto premises to do the agreed work. Any damages occurred during and after treatment will be solely for the account of the client.

Thank you,

Pestimators Pest Control

This Certificate is issued monthly on request and only valid if treatment is done on a weekly / monthly basis. MSD sheets for poisons used are on request.
