RE: ANNUAL PRICE ADJUSTMENT OF OUR PEST MANAGEMENT CONTRACT

Dear Kganya,

As a valued customer we would like to advise you in advance that we will have an annual price adjustment on all our Pest Management Contracts.

This price adjustment will be effective from 01 January 2019.

Your monthly contract cost will be adjusted from R814 to **R845.00** in line with the increases from our suppliers. Pestimators has ensured that we keep any increase to the minimum to accommodate our clients.

Feel free to contact us if there is anything else we can help you with.

Kind Regards
