Pestimators Pest Control Staff and Management use only SABS approved chemicals which are nonetheless dangerous to people, pets and environment, therefore all precautions are taken to ensure safety of all where possible. Neither management nor staff will be held responsible for any loss, illness, damage or death for any reason whatsoever as a result of use of these chemicals, drilling, spraying or fumigation or damage to property, persons, pets and environment. Chemicals may mark surfaces, and gas, water, electrical, vent lines may be encountered when drilling takes place. The following constitutes acceptance of the above terms and conditions: payment in part or full, verbally accepting.

Thank you,

Pestimators SA Pest Control

This Certificate is issued monthly on request and only valid if treatment is done on a weekly / monthly basis. MSD sheets for poisons accompanied this certificate when sent to client.

M Barnard (Managing Director)
