Item	Description	Qty	Price	Total
Ants	Pet and Human friendly residual spray and bait on the inside. Non-pet and human friendly residual spray and bait on the outside. Exclusion period outside is 3 hours. It is recommended to do a follow up treatment 14-21 days after the initial treatment date. This is in order to break the life cycle of the pest.	48.00	R300.00	R14,400.00

Notes

Initial treatments: strictly 100% payment due prior to treatment. All contracts are subject to initial treatment happening beforehand unless otherwise arranged. Contracts are to be taken for no less than 12 months and written cancellations are required one month in advance. Contractual treatment price includes a monthly certificate issued as required by the department of health. Focus areas are defined as areas visibly and potentially infected by pests. Take note: it can take up to 3 weeks for the poisons to be fully effective.
